Features

Efficient & Eco-Friendly

R290 is efficient and eco-friendly, saving 30-50% energy versus HFC systems with less refrigerant

Triple pane heated glass doors with thermal insulating film prevents condensation

High-quality cabinet with CFC-free polyurethane foam insulation for maximum energy efficiency.

Magnetic door gaskets ensure a tight, efficient seal and can be easily repaired without tools.

Quality Assurance

High-efficiency evaporators paired with oversized condensing units and automatic evaporation

Digital temperature readout with electronic thermostatic control and LED interior lighting.

Positive air flow with forced air movement throughout the cabinet.

Robust Construction

White and black baked enamel steel finish inside and out, with a painted steel interior base

Heavy-duty polyethylene coated adjustable wire shelves.

Ergonomically designed, self-closing locking glass doors with easy grab handles.

Locking casters with on-off foot brakes for secure, easy mobility
